BODY TREATMENTS

CoolSculpting®

A non-invasive way to permanently reduce fat using a patented cooling technology called Cryolipolysis®; it uses cold temperatures to break down fat cells. The procedure is designed to treat bulges on the abdomen, flanks, back, arms and thighs that are resistant to diet and exercise. You may start to see changes as quickly as 3 weeks after your treatment, and will experience the most dramatic results after 2 months.

beauty rewards

Our Beauty Rewards program, helps our busy patients keep their skin glowing all year long. The best-looking skin has to be maintained regularly for the best results. Furthermore, it has been proven that early preventative treatments can make a world of difference later on. That's why we created a program that lets our patients and experienced aestheticians tailor a monthly treatment plan just for their needs, no membership fees required! In this program you can switch off between the *indicated treatments* by returning every 4 weeks or sooner after your initial full-price treatment!

our aestheticians

Sonia Howard, LMA (top) & Kayla Waters, LMA (bottom)

Sonia has been a practicing licensed aesthetician since 2016 and Kayla since 2018. Hand-picked and trained by Dr. Bruce, our aestheticians specialize in medically proven spa treatments that help clear up acne, improve texture, pore size, and wrinkles, hair removal, lash/brow tinting, and more! Between these two, they have received continuing education including attending CoolSculpting® University and advanced training in skincare products, procedures & patient relations. Voted top 3 medical spas in Houston by The Houston Chronicle in 2020, their experience and passion for skin and patient care are sure to provide a full med-spa experience.

FACIALS

Rejuvenating Facial 45 min

(MEN’S FAVORITE)

A deep cleansing and microdermabrasion start this mini-version of our Relaxing Facial. Followed by a light steaming with extractions.

Face \$175

Acne Facial 60 min

Specifically designed for skin needing a special touch, we start with a deep cleansing, a microdermabrasion, steam and extractions. Finally, we use a blue-light treatment to reduce acne-causing bacteria.

Face \$195

Relaxing Facial 60 min

Our exclusive treatment begins with a cleansing microdermabrasion to bring forth the healthy skin below, followed by a facial steam treatment. You will then be pampered with a customized facial mask and neck and shoulder massage and renewed with warm lavender-scented towels. We will also provide extractions, if needed.

Face \$200

Anti-Aging Facial 75 min

This facial is designed to stimulate collagen and reduce pore size utilizing the Omnilux™ LED light system. Relax and enjoy a deep cleansing, a microdermabrasion, steaming, extractions, facial mask and a neck and shoulder massage followed by the Omnilux treatment.

Face \$275

Hydrafacial® 30 min

A multi-step treatment that combines the benefits of next-level hydradermabrasion, a chemical peel with alpha and beta hydroxy acids, automated painless extractions and special delivery of antioxidants, hyaluronic acid and peptides. This facial can be customized to patient’s skin needs.

CHEMICAL PEELS

Gel Peel GL®

Combines glycolic, lactic acid and antioxidants to gently exfoliate and revitalize photo damaged skin and help reduce the appearance of fine lines and wrinkles. Great in a series, it is a perfect complement to a microdermabrasion treatment.

Regular Price/*Beauty Rewards \$150/\$65

PCA Peel® (Hydroquinone Free)

Ideal for more sensitive skin types, ethnic skin or those allergic to hydroquinone. This treatment will help unclog pores, clear acne and rejuvenate the skin. With its blend of brighteners and alpha and beta hydroxy acids, it also is an excellent choice for correcting pigment discolorations.

Regular Price/*Beauty Rewards \$200/\$175

PCA Peel® (with Hydroquinone + Resorcinol)

This peel will even skin tone and provide more exfoliation for oilier, thicker and more resilient skin types. It is extremely effective on sun-damaged, thickened skin, and cystic acne.

Regular Price/*Beauty Rewards \$200/\$175

Vitalize Peel®

Fights the effects of time, sun damage and environmental assaults with a mandelic acid, salicylic acid, retinol and other unique blend of peeling agents. It is suitable for all skin types and excellent for acne and hyperpigmentation. See noticeable results after just one peel and compelling results after three to six peels.

Face/*Beauty Rewards \$175/\$150

Ultra Peel®

This peel uses lactic acid and trichloroacetic acid (TCA) to improve the appearance of fine lines and wrinkles while promoting an even skin tone and clear complexion.

Face/*Beauty Rewards \$200/\$175

Rejuvenize Peel™

This deeper, stronger peel can achieve visible improvement of hyperpigmentation and acne and acne scars after one treatment, but requires up to a week of downtime.

Face \$250

MD Peel (CCl3)

This peel uses lactic acid and trichloroacetic acid (TCA) to improve the appearance of scars, fine lines and wrinkles while promoting an even skin tone. A true medium-depth peel that is most suitable for those with resilient skin.

Microneedling

A new innovative treatment for fine lines, scars including acne scars, and overall skin rejuvenation. During this procedure, tiny needles are used to create controlled micro-injuries to the skin which in turn stimulates the production of collagen and elastin. Add PRP or other active ingredients can be applied post-treatment to enhance results.

Regular Price/*Beauty Rewards \$450/\$400
Add PRP/*Beauty Rewards \$750/\$650

what is prp?

The secret of glowing, beautiful skin is hiding in an unexpected place — in your own blood. We now have the ability to extract growth factors produced by your body that are found in your bloodstream. Called platelet-rich plasma therapy, or PRP, it helps our patients enhance and rejuvenate their skin by spurring it to produce new collagen.
